

Three Questions for Worship Leaders, part 1

Every week God gives us the opportunity to create an environment where lives are changed forever! To really be intentional about creating that environment, we must ask ourselves three questions:

First, what do I want people to _____?

Second, what do I want people to _____?

Third, what do I want people to _____?

Answering these three questions helps us fulfill God's vision and mission for our churches. And it's always good when going through this exercise to have a clear idea of the vision and mission of your specific ministry.

What is the vision and mission of our church?

What is the vision and mission of our specific ministry?

Empowering leaders is a non-negotiable if you expect something to grow. To provide a great experience in our ministry, we'll need to equip, engage, empower and encourage leaders.
