

Kids Ministry: **Know, Feel, Do Episode 3**

Every week God gives us the opportunity to create an environment in our kid's ministry where lives are changed forever! To really be intentional about creating that environment, we must ask ourselves three questions:

1. What do I want people to _____.
2. What do I want people to _____.
3. What do I want people to _____.

Answering these three questions helps us fulfill God's vision and mission for our churches. And it's always good when going through this exercise to have a clear idea of the vision and mission of your kids ministry.

What is the vision and mission of our church?

What is the vision and mission of our kid's ministry?

Why is that vision and mission so important? Why must we be so intentional about it? The answer is simple. We have limited time to make an impact. In many kids ministries, we have the student for 1 hour per week, and their parents have them for 167 hours per week. We must engage parents to be partners in the ministry of their students. We call it leading to the 167!

Partnering with parents requires us to know parents. When we impact parents we impact students.
